

Cropreddy Surgery Information Sheet for EMIS Access

Electronic Records Viewer & Glossary of Terms

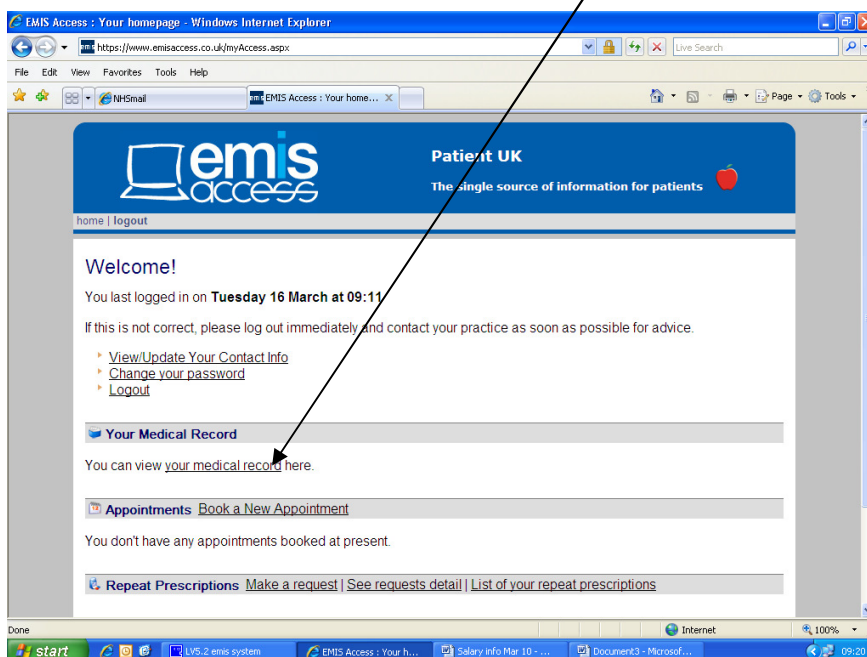

If you have any queries about the system that are not answered here, please email cropreddy.surgery@nhs.net and we will answer them as soon as possible.

Please do not ring the surgery as this will block the telephone lines for other patients who may have urgent medical problems. Thank you.

1. This is the usual EMIS Access log-in screen that you see when you have registered to use the repeat prescriptions and appointments facility.

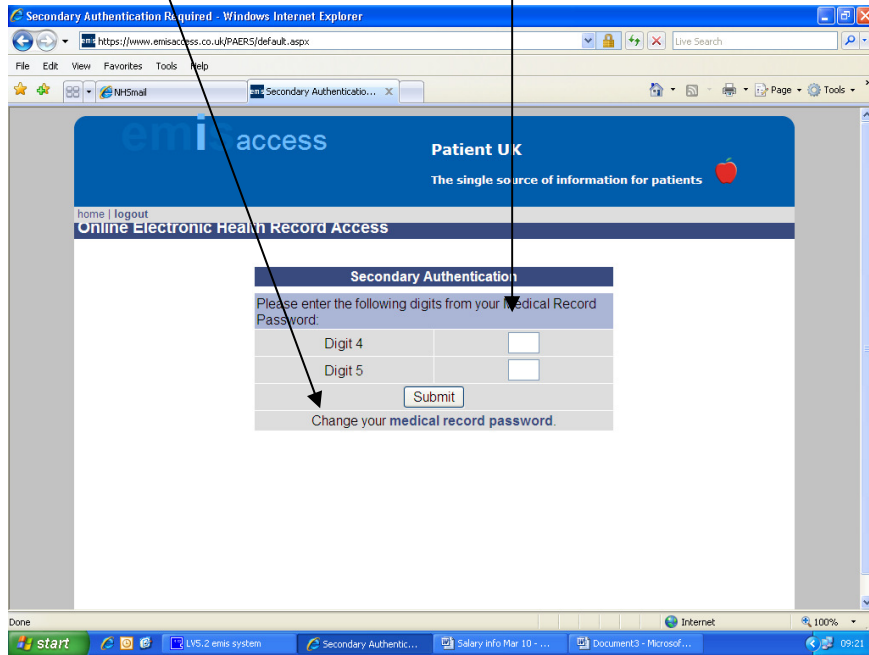

2. Once logged on you will be taken to the next screen where the option to view your medical records can be found

Electronic Records Viewer & Glossary of Terms

3. There is another security level to gain access to your medical record and you will need to input the digits as requested on this page from your new pass phrase that we have issued to you. Change your pass phrase here

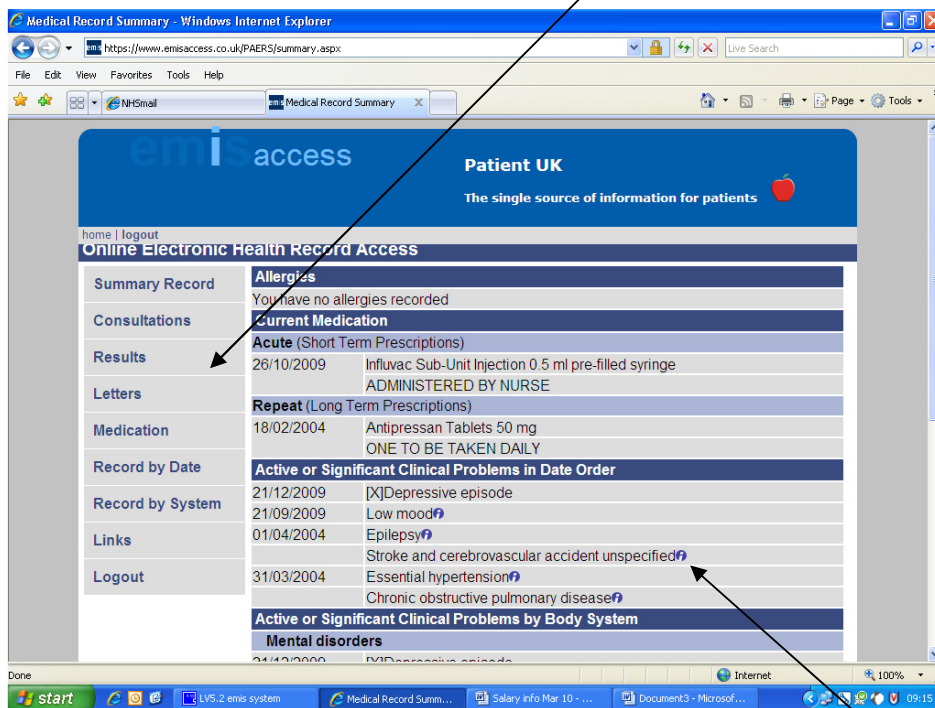

4. Check that the name and date of birth are correct and then click on the 'confirm' button
